

Visit Camp PLAYful

Located on the far end of the park is
Jam Fest's best-kept secret-Camp PLAYful!

For kids, music festivals are a unique opportunity to make **new friends** and explore unique activities in a safe, **family-friendly environment**.

From mud kitchens to music-making, Camp PLAYful activities are tailored to inspire kids **to connect with others through play** and create magical memories.

Please join us!

Children **under 12** need to be accompanied by a parent/guardian.

So grab a chair, enjoy the music and the lakeside view and watch the **magic** of open-ended play provided by [Janet Young @PLAYful Designs](#).
